People who desire first-class merchant tailoring will do well to patronize Mr. C. Masters, who has opened an establishment at the southwest corner of Dearborn and Randolph streets. Mr. Masters is one of the best cutters in Chicago, and his success is assured.

L. Everingham, Room 80, Board of Trade Building, Chicago, Nov. 2, 1907, writes: I have used several cases of Deer Lick Mineral Water with good results and consider it an excellent tonic, and one of nature's best restoratives.

For Rheumatism, Stomach, Liver or Kidney troubles Deer Lick Mineral Water has no superior. The following testimonials from well-known physicians and prominent citizens tell a true story: The Medical Standard for January, 1901, says:

"Of the many natural mineral waters on the market we have some from American springs which meet the indications of many diseased conditions, such as dyspepsia, indigestion, constipation, Bright's disease. We wish especially to call attention to the Deer Lick Mineral Water. The Sulphate of Soda is the chief constituent of Carlsbad, Marienbad, Rubinat and Condat waters, and it occurs, associated with much magnesium sulphate in Aesculap, Hunyadi Janos, Friedrichshall and Kissingen waters."

No wonder the business of the Brand Brewing Company, at 1251 Elston avenue, has increased over 100 per cent during 1901. Their famous "Extra" brew already has a world-wide reputation.

B. J. Weller & Co. is one of the largest and most reliable firms at present engaged in the commission business in this city. All who have business with them are perfectly safe in their hands, and sure of efficient services and honorable treatment.

Charles E. Hyde & Co., southeast corner Clark and Monroe streets, is another firm where policemen and firemen could obtain material of the very best quality for their uniforms and have them made in the very best style at most reasonable prices.

The great furniture house of Alexander Revell, northeast corner Wabash avenue and Adams street, was one of the busiest firms of trade during the Christmas season. Some magnificent works of art in house-furnishing line were on view, while in the line of business furniture, such as desks, office fittings and the like, most reasonable rates and excellent value were offered.

Hannah & Hogg's excellent brand of whiskey known as the McBreder Cedar Brook is the real thing for the holidays. The new establishment of this firm carries a large consignment of this and other fancy brands of excellent whiskeys, wines and liquors. It is located on Wabash avenue, opposite the Auditorium.

Joseph Grein's restaurant and buffet, 99 East Randolph street, is one of the most popular resorts for political leaders, as well as for the general public, in the city.

For wines and liquors, Keating & Mahony, the well-known importers and wholesale dealers in this line of goods, are among the foremost in the country for value as well as the excellence of their goods.

HENRY E. BRANDT.

People who wish their houses to receive the very best attention this spring should patronize Henry E. Brandt, 443 and 445 Lincoln avenue. He has the latest styles of wall paper and the very best workmen to put it on. His painters and calciminers are artists and his work in every way is creditable.
